POST TIME!

Yes, we've finally got a quorum for CIRCUS MAXIMUS. And what would be a horse race without betting? So we're opening up the game to the betting public (Rule 26). To sum them up, each better has 10,000 sesterces (s). All bets are in units of 100 s (so a bet for 200 s is OK, but one for 150 s isn't). If players who are racing bet, they must bet on their own chariots and may bet on others as long as the total s on the other chariots doesn't exceed that on their own. Odds are determined by dividing the total amount bet by the amount bet on each chariot. Only the winner pays off (i.e., nothing for place or show). Bets can also be placed at the end of the 1st and 2nd laps. See p 16 for the starting list.

Some of our newcomers, tradists, and the curious ask what our sub fee and game fees are. Well, the sub fee is plainly described at the bottom of p 19; it is currently \$9 for 12 issues by post. Expect that to go up once the USPS makes its move. We have no foreign (or even Canadian) subscribers, but their rate would probably be adjusted for postage. At this point there are no game fees. I don't particularly believe in them, especially in games like GUNSLINGER or DIPLOMACY where one's tenure could be very short. I have considered them for STELLAR CONQUEST, which is run almost independently of BORIS, and for the "map" games (18xx, SILVERTON, possibly DUNE, and CIRCUS MAXIMUS), which would then have a map insert in the copies of those who played those games, freeing space in the issue for other frivolity. A map "surcharge" could run something like 33¢/issue (23¢ for excess postage and 10¢ for duping the extra sheet), which would increase a sub by about \$4. On the other hand, anyone who might be vaguely interested in playing the "map" games, wouldn't be able to figure out what's going on and might never take the plunge to buy a copy and join in.

ALTERNATE ALERT: Drew Franz is NMR (for sure this time), so his Italian portfolio in "Boris VII" and his French portfolio in "Boris VIII" are up for grabs. Interested players should send orders for either or both.

BORIS'S BULLETIN BOARD

THOUGHT FOR THE MONTH: Habit 5: First seek to understand, then to be understood.
—Stephen Covey

Chris Huxsler has kindly sent us a copy of his MOV mapsheet, and we'll reciprocate by announcing that he has openings in DUNE (7-player Landsraad variant), MOV, MACHIAVELLI, NEW WORLD, and TIME AGENT. See J.NET and subscriber sections for his addresses. His "zine, SOB, runs 75¢ an issue and playing usually engenders a game fee.

Any of you e-mail types interested in playing REPUBLIC OF ROME? We have a game on GENIE that has been in limbo for about three months for lack of a sub. We're in the Middle Republic and not in too bad shape. Contact J.GEORGE@GENIE.GEIS.COM for details if interested.

BOOS & KUDOS

This month's Madame Bolduc Press Excellence Award goes jointly to the authors of the Reuters article in "Boris VII" and the *Stockholm Midnight Sun* article in "Boris VIII".

This month's Ms Nar Super-Sudsy Bomb goes to the Huns for delay of game.

WALL STREET JOURNAL--Archduke Morrison's drive for European hegemony was blunted this season by a *de facto* coalition of the remaining Powers. Duke Andrew has managed a delicate balance of cooperation and mendacity in aiding the Russian assault on BER while simultaneously "relieving" Tsar David of STP. The French have begun guerrilla warfare in hopes of sustaining their waning chances. Analysts expect further growth for the pound, hard times for the franc, and minimal movement in the kroner and ruble.

The Italian populace, fearing a French invasion, has shut down the Italian government in hopes of changing Rome's policies towards France. BORIS WORLD PRESS REVIEW

London (Reuters) The Royal Post Office released the first sheet of new stamps bearing the likeness of the Emperor Charles Napoleon. It is rumoured that at least six previous designs were personally rejected by the emperor, four of them "because they make me look bald". The summary execution of three different ministers who noted that the Royal Hair IS a bit thin did nothing to improve Post

CLIFFPHONE--Calling on Socialists of the world "to unite and frustrate the Capitalist plot against the Workers." France's Socialists have brought the nation to a standstill with their strikes, bridge blockages, and mass demonstrations in the streets of Paris. Alas, their foreign brethren aren't heeding the call. In Germany, there have been small riots trying to get into the recruiting office to fight for *der Vaterland*. In Turkey, Sultan Ali Wayne declared a jihad against all infidels after foreign complicity in the murder of the prior Sultan was discovered. Austrians are fed up with Serbian insults and provocations and may not care if that brings Russia into the fray. In Russia, 200,000 men swore off vodka for the duration of the war. The thin veneer of civilization has worn off and the Continent is about to pay the price.

Italy to World: Why didn't anyone tell me that the Frog was so good at this game? Not only is he so intelligent as to be able to outguess me regarding Marseilles, but he was even capable of executing a tricky stab of Germany. This game should prove to be a great battle between him and Wormtongue.

BORIS WORLD PRESS REVIEW

Bucharest Bugle: An *Exotic Column*: Renowned Athenian comic, Makris Aris is knocking them dead at the Imperial Arms with one-liner such as these: "Well, the Austrian Geel's in Athens--hello, sailor, and lock up the goats! Only kidding, ha, ha, but have you seen these guys? Strictly from Hungary! Naha, no really, we're really glad to see them, and their kroners in Athens."

Kiev Steppe Star: The untimely death of the Sultan apparently caused the Turkish troops accompanying the diplomatic mission here to riot. Several shops were looted and numerous citizens injured. Foreign Minister Fisher has ordered F BLA to Turkey to fetch responsible officials to remove the captured troops from the country.

Stockholm Midnight Sun: The Russian and German fleets nearly met with disaster when they both tried to enter the harbor from a massive fog bank simultaneously.

"Yumpin Yeminie, it ban simos a big kaboggit. Tey beff so scared dey hightailed it into da fog an we nut seed tem again," an eye witness reported. "It was de moss fun heif since Sven coote his hair in the outbird mouir."

Morrison collects \$5 from SVN&RR. Fisher collects \$10 from C&StL. Butitta collects \$25 from the C&A. and NYC collects \$35 from the D&H and the M&H.

PA: Lays Tile #23 in H14(e). Run H16-H15 (\$80) & F6-G7-H10-H15 (\$120). Withhold, so price goes to D120. Buy 3-train (\$254+200-450 = \$4).

PHASE CHANGE: All privates are closed. Brown tiles are available. Beginning OR 7 there will be three ORs between SRs. Train limit is now two, so PA surrenders its 3-train, which is now available from the bank.

C&O: Lay Tile #59 in H18(w). Run F6-G7-H10-H15 (\$120) & H18-H16-H15 (\$110). Pay dividend (CCH +\$115, WMM +\$92, JB +\$23), so price moves to A126.

B&O: Lay #85 in H18(ne). Play token in G185 (\$384-40 = \$344). Run K13-J14-H15 (\$120) and I15-H16-H18-G195 (\$170). Pay (MQ +\$145, CCH +\$58); price goes to D109.

NYC: Tile #83 in E19(ew). Play Token in G19N (\$215+35-40 = \$210). Run E18-G19N-F20 (\$130). Pay dividends (RF +\$52, MQ +\$13, NYC +\$13). Buy 3-train from NYNH&H for \$220 (\$210+10-220 = \$3).

STOCK ROUND 7

Quist sells 2 NYNH&H & 1 NYC and buys Prez Share of Eric, setting par at \$82. (\$378-80-40-164 = \$334).

Morrison sells 4 C&O and buys Prez share of CP, setting par at \$100 (\$188+504-200 = \$492). C&O plummets to E82.

Quist buys 1 Eric (\$334-82 = \$252).

Hanna buys 1 B&M from IO (\$301-90 = \$211)
 Fisher, Chinnery, and Butitta pass. Morrison buys 1 CP (\$292-100 = \$192)
 Quist buys 1 Eric from IO (\$170-82 = \$88). Eric floats!

PA is sold out so rises to C140. Quist has the Priority Card. Due next time are orders for OR 7.1 and as much of OR 7.2 as you can handle. The 3-train is available for \$180, but I'd anticipate a 6-train being bought in OR 7.1 and perhaps even a D.

The Cast

John Buttits:
Scott Cameron:

Marcel Carbonneau:

Don Channery:

Don Farrow:

Richard Price:

Jack Shacklett:

Michael Tsuk:

"Macdoggie" the Sorcerer (Bushytail, Misy)
"Wolf Ironhelm" the Berserker (deceased)
"Black Bart" the Black Knight
"Amber Rose" the Amazon
"Scotch" the Witch King (Ribbit Silky)
"Woody" the optional Wizard (retired)
"Sir Jordan" the White Knight (retired)
"Fang Gulfwulf" the Berserker
"Capt Avalon" the optional Captain (deceased)

ERRATA: Bart & Co. have a workhorse they looted from the Guard. I seemed to remember that and had Mr Nar research back issues while I worked out the scores. Alas! She missed the errata in issue #22 awarding Bart the horse. On the other hand, Bart neglected to activate the horse, but this is a 'friendly' game. I also misread his VCs (1 pt to fame, not 2), and mucked up everyone's score when it came to negative values (Scotch's Fame, most folk's gold).

DAY 28

Gold Magic

Monster Roll - 5

Black Bart & Company @ Le3: activate M6/L4* horse, abandon H armor, M Le6, M Le1, M Le4, M AV2, M AV5.

C2 lures SHQ, C5 lures S1, CHQ lures S3, and C1 lures S4. Bart runs away. C2 swings H6* (dodges 4, C3 thrusts H6*, C4 smashes H6* at the cornered SHQ, who smashes H6* at C2 while ducking 5. Length prevails as C3 cleaves him from pete to petella; the Soldiers' items are abandoned. C5 swings lustily T4* at S1 while dodging 6; S1 swings M4* while dodging 5 into Death's embrace. CHQ swings M3* and dodges 5 at S3 who "swings" his crossbow T(H+1 level(2,1))1 while dodges. The Harvester also collects CHQ whose items are now abandoned in the clearing. C1 swings M4* at S2, dodging 3 while S2 thrusts H6 and charges 4, causing both to miss.

The pikemen now attack S3 using the same battle plan: S3 fires M(H-1 level(4,1)) as a thrust as he charges 4. C2 takes a quarrel through the the heart, but S3 is felled by C3. Meanwhile, C1 swings M4* at S2 while dodging 3 and C5 thrusts T4*. S2 swings H6* and dodges M4*. C1's blow is quicker, so S3 is slain before his blow finds the mark. Bart gains 16N for the slain Soldiers, but loses 6N for his fallen Companions. He also forfeits 10G pocket change for not being in the clearing.
